**MOTION TO PROCEED WITH
MODIFIED HABEAS CORPUS
FORMAT**

COMES NOW Petitioner Daniel Partida, who respectfully moves the Court for permission to proceed with the filing of his petition for writ of habeas corpus by a modified format that includes the federal pro se informal format with regards to the factual information required. Petitioner states that the form is confusing en toto and appears to be based around a challenge to the original conviction. Petitioner believes that the format he has submitted for his habeas petition is far cleaner and clearer, and adequately presents the claims, facts, arguments, and supporting law.
